

...Electric Motors and Gearboxes

Al Khodari Industrial Trading & Services ( KITS ) is one of the leading suppliers of low and high voltage three phase induction-asynchronous motors, synchronous motors, explosion-proof motors, slip-ring motors, DC motors as well as medium voltage variable frequency drives and soft starters, we also supply gearboxes and gearbox motors. All our products are SWISS made by HOFFMANN Technics AG conforming to the international standards concerning its parameters and dimensions. Motors are produced according to the IEC standards and the ISO quality control regulations.

710 kW Motor, 4.16 kV, 2 Pole  
Installed at a Desalination Plant  
Saudi Arabia

6150 kW Motor, 13.8 kV, 4 Pole  
Installed at a Desalination Plant  
Saudi Arabia

230 kW Motor, 4.16 kV, 2 Pole  
Installed at a Desalination Plant  
Saudi Arabia

Wide range of Gearboxes  
Custom Made to meet  
our customers requirements

Various Range Of low voltage  
2 & 4 pole Motors  
Horizontal & Vertical Mounted  
Available at our Stock in Saudi Arabia
